Legion Has Committee For Civilian Defence To Aid Organization

The Newmarket branch appointed a civilian defence committee at a general meeting on Monday night. Maj. T. M. Ewing was named chairman of the committee.

"Some of us can imagine what could happen in a community such as this if it were subject to an air attack or disaster," said the Legion president, Fred Gardiner. "There are some members of the Legion who have had experience in dealing with such situations," he said.

Maj. Ewing, who had considerable experience in military government of civilians in the occupation of Germany after the war, said that he would be glad to act as chairman of the committee. "The town is to appoint a co-ordinator to co-operate with the county committee on civil defence but that does not mean that the Legion could not do much useful work along the same lines," he said.

At the same meeting members of the York County hospital medical staff presented the Legion with a scroll in honor of the blood transfusion service it has been giving the last 3½ years. "About 100 tranfusions have been given in the last 3½ years," said Dr. J. G. Cock. "There has always been blood available at the hospital through this service."

Chairman of the medical association, Dr. Blackwell of Bradford, made the presentation. "We have been looking forward for a long time to show our appreciation to the Legion. Over 60 members of this branch have given blood," he said.

It was decided at this meeting that the Legion would take over the leadership of the Newmarket Boy Scouts. Members of the Lions club, celebrating the 20th anniversary of the Newmarket Lions Club, were guests of the Legion at the meeting.

Seven Out Of Eight Guernseys Awarded Are From York County

Seven out of eight of the all Canadian awards in the Guernsey Breeders' Association have gone to cattle belonging to York County owners and most of them are in King township.

Jack Fraser's Don Alda Langwater Victor was the All Canadian senior Guernsey bull. All Canadian junior bull was Kingfield Comrade, owned by C. F. W. Burns, King township and the Reserve was Fraserdale Admiral's Traveller owned by Jack Fraser.

From Crossland Farms Bancroft Clover's Louise was the All Canadian aged cow which was senior and grand champion at Markham in 1950. Reserve was Willow Princess.

In the junior female class, Fraserdale Admiral's Bee was the All Canadian and Don Alda Supreme Charm was Reserve, both owned by Jack Fraser.

Korea Move Cancels Leave, Call Up Folks From Fort Lewis

Two special force soldiers from King township made a long distance phone call to their parents from Fort Lewis, Washington recently. Having planned to take leave and visit their parents, they had to cancel their arrangements because of news that the rest of their regiment, the Princess Pats, would soon be bound for Korea.

Eddie and Gary Bishop, sons of Mr. and Mrs. Joseph Bishop of Strange, near King City decided to at least put in a long distance phone call which they made on February 15. News that more Canadians would be sailing for Korea was known to the troops before the Canadian public heard about it.

The boys from King are now anticipating being sent over in the next draft to Korea and told their parents that they are glad to be on the move.

Paul Mesley, formerly of Eversley, King township, is at Fort Lewis also. Paul is 19, enlisted at Kingston. His parents live in Ottawa but his sister, Mrs. Donald Chalk, lives at Temperanceville.

Mrs. James Sutherland 103 Years Old Tomorrow

Newmarket's only centenarian, Mrs. James Sutherland, will have reached her 103rd birthday tomorrow, Friday, March 2. Mrs. Sutherland lives with her daughter-in-law, Mrs. Currie, at her home at 50 Prospect St. She was born in Scotland and except for a few years, has lived all her life in Newmarket.

Mowat Speaks On U. N. Topic

Herbert Mowat, chairman of the speakers' panel, Toronto branch of the United Nations association in Canada addressed a representative audience at the town hall on Thursday, Feb. 22.

Speaking on the United Nations, its aims and objectives, Mr. Mowat gave sketches on Dr. Ralph Bunche, Dr. Brock Chisholm and L. B. Pearson. He quoted many spokesmen from other countries in their praise of Mr. Pearson.

Mr. Mowat dealt with the spiritual aspects of the United Nations. He said that it was only in its infancy and had made mistakes, but was the only answer to world government.

Harry Beer, assistant headmaster of Pickering College, chaired the meeting and introduced the speaker. Mrs. Howard Morton, president of the Newmarket Home and School association, the sponsoring organization, thanked Mr. Mowat for his account of United Nations' activities. The meeting was under the direction of Mrs. C. R. Blackstock, convener of the citizenship committee.

A film, "Battle for Bread", was shown by J. N. Lothian. At the close of the meeting many took the opportunity to ask Mr. Mowat questions regarding the international situation.

RIDGES MAN OWNER OF GUERNSEY COW WITH MILK RECORD

Donneddy Northern Clover, a Guernsey cow owned by Bill Fuller of Oak Ridges, has scored the highest record ever made in Canada on twice a day milking tests. The R.O.P. certificate for the cow is 16,377 lbs. milk and 994 lbs. of fat. The report of the cow's achievement was forwarded to Mr. Fuller by the Canadian Guernsey Breeder's Association last week.

Donneddy Northern Clover was bought at Donneddy sales as a two-year-old by Mr. Fuller for H. J. Stoops of Far Hills Farm, Aurora, of which he was manager. The last three months of her two-year-old record was finished with 680 lbs. of fat, placing her second on the honor roll.

With the purchase of the Far Hills Farm without the cattle by John Holden of Toronto, Donneddy Northern Clover was purchased by Mr Fuller with others of the herd. Mr. Fuller owns and operates Fuller's Dry Goods Store at Oak Ridges.

BREAK-IN SUNDAY

A break-in was made at the home of Don Wright, Eagle St., Newmarket, last Sunday night. Police reported that the house was ransacked but nothing was stolen. Someone had kicked in the cellar window to gain entrance to the house.

The tourist business has become an important source of foreign exchange for Canada. In 1949 it provided seven percent of total current receipts from abroad; of commodity exports only wheat and newsprint exceeded it in exchange earnings.

In Yukon Territory the three mining districts are Dawson, Mayo and Whitehorse. Virtually all the gold produced in Yukon Territory is from placer operations mainly in the Dawson district.

'Flu Still Cuts Down Era Staff Forces Paper Limit To 8 Pages

The 'flu has been relentless. The composing room staff of the Era and Express dwindled down to three this week and the size of the paper had to be cut down to eight pages.

It is hoped that readers and correspondents will understand that the situation has made it impossible to publish all material which has come in.

Mona Dean, still recovering from the 'flu, has been the soleall departments.

linotype operator this week except for assistance on the machines by one of the compositors. Consequently, the typesetting time has been severely limited.

At home with the 'flu this week are the managing editor, John Meyer, shop foreman Lawrence Racine, job printer Bill Ingram and linotypist Marjorie Bailie. The Era and Express has been short staffed in

Pickering Show Starts To-Night

The Pickering College Glee Club is presenting Patience by Gilbert and Sullivan at the college auditorium the next three nights. The staff and student productions were first started in 1934 under the direction of R. E. K. Rourke when the first experiment was made with Trial by Jury. Since that time the college has built up a repertoire of seven Gilbert and Sullivan operettas.

The Glee Club is supported by the Newmarket Ladies' chorus. Pickering students are taking four of the leading roles and three Newmarket girls are taking leads. Mr. Rourke stars in the lead role of Bunthorne and Alice Rourke has the part of Patience.

Through the years the Pickering Gilbert and Sullivan productions have found a loyal group of supporters not only in Newmarket but from Toronto and many distant places. At the same time Mr. Rourke has won considerable recognition as a director and authority on Gilbert and Sullivan.

Mr. Frank Houston, president of the Toronto Gilbert and Sullivan Society and also director of the Simpson Ave. United church productions of Gilbert and Sullivan is the musical director.

The brilliant garb of the dashing soldiers of the Dragoon Guards and the graceful flowing costumes of the rapturous maidens against a background of luscious green fields and woods makes a charming setting for the operetta. It is a satire on the rise of the "new art" in the early eighties of the last century.

Township Road Budget For 1951 Increased $10,000 Over Last Year

Whitchurch Township road appropriations will reach a new peak of $60,00 in 1951, according to figures set out in the budget bylaw passed at the regular meeting of council on Friday evening. The new figure is $10,000 above that of last year.

"With this heavy traffic today, the roads are wearing out faster than we can build them," commented Councillor Baycroft.

The wear and tear to which the roads were subjected by heavy gravel trucks came in for bitter criticism, and it was agreed that Reeve Ivan McLaughlin, together with Councillor Sid Legge, road chairman, and road superintendent Davis should visit Mr. Ludgate, municipal engineer to see if some curb could not be placed on the "trucking destruction."

Council gave road superintendent Davis the green light on the annual order for calcium dust layer. Sixty tons will be purchased from the Brunner Mond Co. at $38.18 per ton laid down at Vandorf Station.

An account tabled from solicitor F. J. McRae who acted in behalf of Whitchurch township in the recent appeal case concerning the equalized assessment in the County of York, was considered exhorbitant, and was shelved pending investigation.

Frank Marritt, county weed inspector spoke to council at some length concerning the county campaign against barberry and buckthorn, and urged that local roadsides be kept free of the grain rust carrier. He also revealed that the county would shortly experiment with some brush spraying in the township.

A request was received from the Toronto and York Civilian Defence Committee asking the township council to appoint a civilian co-ordinator for the municipality. After some discussion council agreed to have the reeve and clerk interview several prospective appointees.

Dr. Harper, Charles Boyd; Teddy Brewster, Eugene McCaffrey; Officer Brophy, Glen Henderson; Officer Klein, Herb Dunham; Martha Brewster, Grace Sinclair; Elaine Harper, Ruby Harrington; Mortimer Brewster, Don Cummings; Mr. Gibbs, Tommy Taylor; Jonathon Brewster, Nick Styke; Dr. Einstein, Jack Struthers; Officer O'Hara, George McNelly; Officer Rooney, Ken Leeming; Mr. Witherspoon, Del Gibney.

AURORA H. S. CHOIR TO SING LAST DAY OF MUSIC FESTIVAL

The Aurora High school glee club has been asked to sing on the closing day of the Kiwanis music festival at Eaton Auditorium, Toronto. Some results have already shown that district singers have taken honors at the festival but all the participants have not been heard yet.

Marion Gibson, daughter of Mr. and Mrs. Roy Gibson, Second St., Newmarket, won a first class honor standing in the singing class of 13 years at the festival last week. In summarizing, the adjudicator said that Miss Gibson has a promising voice. She is a student of Mrs. J. E. Cane.

In a vocal class of 21 and under, Miss Anne Stephenson of Oak Ridges took third place in competition with 24 soloists on February 25.

EMPLOY ASSESSOR

Aurora council passed a by-law on Monday night to employ E. R. Good of Stouffville as assessor for Aurora at a salary of $1,275.

Lions Club Celebrates Its 20th Anniversary, Makes Presentation

The 20th anniversary of the Newmarket Lions club was celebrated Monday night in what Lions called one of the greatest nights in the history of the organization. Of the 36 charter members when the club was organized in 1931, only ten are still active members and they received 20-year charter member chevrons at the meeting.

The anniversary night was held in conjunction with district governor's night. District Governor Fred S. Thompson, a member of the Newmarket club, spoke on the organizational aspects of the Lions International office in Chicago. Also present were international counsellors Harry Lambert and Ken Robertson of the Brantford club. Mr. Lambert is a past president of the club.

Lions presented with their 20-year chevrons were F. Bothwell, Dr. Boyd, A. J. Davis, Alex Eves, Alex Georgas, W. H. Eves, Fred Lundy, W. C. Lundy, R. L. Pritchard and L. B. Rose. Fred Thompson and C. G. Wainman received 20 year old Monarch chevrons and W. O. Noble, Tom Scott and Earl Weddel received 10 year old Monarch chevrons.

Mr. Wainman was presented with a 20 year perfect attendance button and Fred Lundy, Frank Courtney and Frank Bothwell, 15 year perfect attendance buttons. District governor Fred Thompson was also presented with a travelling bag.

Many of the Lions went to the Legion hall after the meeting where they were entertained by members of the Newmarket branch of the Legion. At the Legion hall a former member, who now lives in Sault Ste. Marie, Gren Thompson, was presented with a smoking stand.

Whitchurch To Levy Fifth Mill To Support Federation Agriculture

Whitchurch township will levy one-fifth of a mill to support the Federation of Agriculture this year. The levy will be made on all farm lands consisting of five acres or more. The township council agreed to make the step at its regular meeting last Friday night. The township clerk, John Crawford, was instructed to draw up the necessary by-law.

This direct tax levy system is being instituted in lieu of an annual grant which the municipality has been making to the Federation and follows a request from local members of the farmers' federation for the charge. At the present time Vaughan Township has a similar levy of one-fifth of a mill, and Markham Township contributes one-sixth.

There was considerable discussion concerning the change before the decision was finally reached, and for a time Reeve McLaughlin maintained that he still favored giving the grant rather than the levy system, particularly in view of the fact the township office facilities were badly upset during building operations.

"I'd be favorable to it if all the municipalities had to adopt the system," stated the Reeve.

"We're doing it of our own free will," returned Councillor McCarron.

"I believe," stated Deputy-Reeve Timbers, "that the mill rate is the fairest way, it'll come sooner or later and will gradually work into all corners of the county, I'm inclined to favor the mill rate."

"If some of these municipalities get behind the move, the others will have to come into it," commented Councillor McCarron.

"I don't think we would be taxing the urban sections for a farmers' organization, and that's what we're doing when we give a grant," stated Councillor Baycroft. "I'm favorable to the mill rate if the office staff can handle it," he concluded.

Display British Guides' Scroll And Log Book At Group Meeting

Brownies and guides from Newmarket and the surrounding district, gathered with their parents and friends at St. Andrew's church, Newmarket on Friday, Feb. 16 when the Friendship Scroll and Log Book sent to Canada by the Guides of Great Britain was displayed.

Mrs. M. E. R. Boudreau, district commissioner, welcomed the guests and introduced the divisional commissioner, Mrs. D. R. Gunn, Oak Ridges. This was Mrs. Gunn's first official visit in this capacity to the brownies and guides of Newmarket.

A color party composed of members of the various companies present brought in the Friendship Scroll and Log Book as Commissioner Gunn proceeded to the front with a guard of honor of brownies and guides. These in turn were accepted from Mrs. Gunn on behalf of the guides of this district by Mrs. Boudreau.

In speaking to the girls and their guests, Mrs. Gunn said that it was a very special night for her to be able to bring the scroll to them. "Think of what it stands for and what it really means. A guide is a friend to all and a sister to every other guide. This scroll represents that friendship between the guides and brownies of Great Britain and the Canadian guides and brownies," she said. Mrs. Gunn suggested that the girls find pen pals in guiding in other countries.

"Wherever you go you will find girls interested in the guiding movement. Twenty-seven countries belong to the World Guiding organization. February 22, the birthday of the founder, Lord Baden-Powell is for all guides and is called 'Thinking Day'," she concluded.

Mrs. Earlby Thompson, captain of the Newmarket Girl Guide company opened the meeting as the regular weekly guide meetings are conducted with the formation of the horseshoe, the singing of the national anthem and the repeating of the guide promise. Dr. M. E. R. Boudreau led the gathering in prayer.

Following the presentation of the scroll and log book, the guides performed two folk dances and sang several camp songs around their campfire. During the campfire, Mrs. Nelson Ion who assisted with the reorganization of the Newmarket company and was its first captain spoke to the girls. The guides closed their section of the program with the singing of "Taps".

The brownies from the Newmarket Brownie pack formed their magic circle around the toad stool under the direction of their Brown Owl, Mrs. Ray Sherrard and Tawny Owl, Miss Grace Colclough. A delightful program was presented by the brownies with a piano selection by Joanne Sloss, a dance by Judy Morton with Mary Lou VanZant accompanying her at the piano, another piano solo by Marilyn Perks and the repeating of the Brownie motto, "Lend a hand" in semiphore by Judy Carter, Betsy Bell, Jean Revell and Karen Beare.

Miss Christian Latimer of the Sutton Guide company assisted Mrs. Boudreau in the presentation of service stars to the brownies. They closed their section of the program with their grand howl.

The log book and scroll were displayed and everyone present had an opportunity to examine the beautiful artistry of the guides and brownies of Great Britain.

HOSPITAL COSTS UP

The overall cost of operating York County hospital has increased 18 percent. This figure was revealed at a meeting of the hospital board on Tuesday night.

$2,000 IN BOYS, WORK

Set Fine Record As Friends Of Boys

Over 200 young boys in Newmarket have participated in summer and winter sports because of the efforts of a small group of men. Less than two years of activity in the Newmarket Optimist club shows that nearly $2,000 have been raised for boys' work.

All of this money has been raised without the help of public subscription and most of it can be calculated by hours of work given by members of the club.

It was less than two years ago, the last month in 1949, that the Newmarket Optimist club received its charter. Almost immediately the club embarked on a vigorous boys' work program. With the motto "Friend of the Boy" the Optimists looked to an age group of 10 to 16 years; the purpose was not to attach any stigma to youth by bringing attention to the "underprivileged" idea but to help all young boys.

In December, 1949, the Optimists assumed responsibility of 60 boys in Bantam hockey activities. Since that time the small club with a membership of not more than 35 has supplied uniforms and equipment and wholly financed the Bantams. This was the first major project of the club and by the end of 1950, it had spent $759 for Bantam hockey. All ice time at the arena was paid for by the club. Bantams were divided into four teams and out of them an All Star team entered the Ontario Minor Hockey association and played into semi-final seasons. Buses were chartered for out-of-town trips and Optimists supplied their own cars. Ice time for the Bantams alone amounted to $24 a week.

A six-team "National" hockey league was also sponsored by the club so that as much activity and as large a participation in numbers as possible was brought about by the club. Newmarket merchants also donated uniforms for the league which took in nearly 100 boys.

To raise funds, the most important Optimist program took in the management of the refreshment booth at the Newmarket arena. With the exception of one employee, the booth has been operated entirely by club members themselves and has earned sufficient funds to finance all Bantam hockey to date. With the booth open every night of the week, a roster was drawn up for members to work on certain nights. Many man-hours could be totalled up which have been spent by Optimists who give their time for youth activity. With a small membership, it has meant that each has had to spend much time working at the booth and with some members busy with their own jobs at night or off through sickness, it has meant a part time job for some members of the club.

The sponsorship of a midway carnival, donkey baseball and a theatre concert earned more money for boys' work. The club has set an important rule that all entertainment for the public should be worthwhile and that nothing should be sponsored by the club unless the public "gets its money's worth".

Newmarket has been proved to be large enough for the activities of two service clubs, the Lions and the Optimists, and their functions in the community have never overlapped.

Optimists have not confined their work to hockey alone. Similar baseball leagues have been sponsored in the summer. It is estimated that over 200 young boys in Newmarket have been given a chance at sports participation through the efforts of their friends, the Newmarket Optimists.

CANADIAN PLOWMEN ABROAD

by V. C. PORTEOUS ★ Director ONTARIO PLOWMEN'S ASSOCIATION

Editor's Note: This is the sixth of a series of weekly stories which V. C. Porteous, a director of the Ontario Plowmen's Association, is writing about the visit of Canada's champion plowmen to the British Isles, Belgium, Denmark and the Netherlands.

Edinburgh, Scotland: In writing about our visit to the land of the Scots I'm sorry I can't report Herb Jarvis or Hugh Leslie discovered the hiding place of the Stone of Scone. But I think we did discover why the Scotsman living abroad never forgets the home of his ancestors. I am sure it must be because it is a land of so much history and tradition.

Perhaps this sounds like a sweeping statement for our first letter from Scotland, but we have been here nearly a week now. We went first to Glasgow by train from Workington, England, where we had been guests of honor at the Workington and District Agricultural Society banquet. This annual event had been held over on our account which was a great compliment.

We were also guests of the Workington Rotary club for lunch. Later, at a ceremony presided over by the Lord Mayor, we planted three Canadian maple trees in a spot near the war memorial.

It seems to me that in the years to come these trees will serve as a standing vote of thanks from the many teams of Canadian plowmen who have been so hospitably received here. They will also remind the good people of Workington of the affectionate regard of Canadians for the mother country.

Before leaving England for Scotland we toured the beautiful lake district and visited the home of William Wordsworth, the poet. Shades of school days.

In Glasgow we stayed at the first hotel outside of London that had enough heat to satisfy us, although some had meter electric heaters which supply about two hours' heat for a shilling. But for one whose blood has thinned out a little these meter-heaters are not only inconvenient but darn costly. Certainly the people over here are not used to heated buildings such as we have in Canada.

At Burns' Birthplace

We went down to Kilmarnock to visit the big implement factory there. This was especially interesting for Herb Jarvis, the champion horse plowman, because he works in an implement plant in Toronto. After a tour of the plant we had lunch at the famous sea resort of Troon. From there we motored to Ayr and to nearby Alloway, the birthplace of Robert Burns. We inspected the thatched roof cottage where the Plowman Poet had lived and the museum alongside. Then we saw the Brig-o'-doon, described by Burns in his poetry.

The city of Ayr is a fair size and has many old but substantial buildings fronting on its narrow, crooked streets. In its shops I noticed that men's clothes are more reasonably priced than at home but other articles are about the same.

It was an interesting motor trip from Ayr to Edinburgh and we passed through some fine farming country. It was rather spotty, however, with many stretches of land fit only for grazing. I think this is because the rock formations here are close to the earth's surface and there are many outcroppings.

Seeing Edinburgh was like reviewing Scottish and English history. We visited Holyroodhouse. It was formerly an abbey and then became the palace of the kings and queens of Scotland and was occupied for a time by the ill-fated Mary, Queen of Scots. Later we visited Edinburgh Castle which is located on a high point overlooking the city. It contains many historic relics and we were quite taken with the ancient and modern arms and armour on display in the great hall. Some date back to the days of the Roman occupation in the first century of the Christian era.

In the castle we saw a dungeon which was said to have been built by the Romans and whose existence remained unknown for centuries. It was discovered in 1812. It's certainly a grim place.

St. Giles Cathedral

Another historic place we visited was St. Giles Cathedral, one of the finest churches in the British Isles. It is a huge edifice but has only modest equipment in the way of pews and seating accommodation. We were told that many of the nobility worship there.

Yesterday we went down to Perth to attend the Aberdeen Angus sales. These are run much the same as our big sales but I noticed that they did not require the purchaser to sign a slip to certify the sale, as they do at home. The quality of the cattle was of a high order but it seemed to me that the herds are not as fully accredited as they are in Canada. There were about 600 head to be sold in two days and while we were there they were selling at the rate of about 40 head an hour.

We've also visited the Loch Lomond country and "we've taken the high road and the low road" but still feel we haven't seen enough of Scotland. The reason is that we have to stick to our itinerary and now must leave for the big North of Ireland international plowing match near Belfast. The boys are well and anxious to pit their talents with the best at the match. The chances are that it will be over and you will know the results before my next letter reaches you. That letter will be the last of the series.

Editor's Note: Word has been received that Hugh Leslie of Georgetown, Ont., the champion Canadian tractor plowman, won the Festival of Britain cup for the best work done in any class by entrants from outside Britain at the international plowing match at Mallusk, near Belfast.

MOUNT ALBERT

If you have good second-hand clothing or bedding or anything that could be given to help those less fortunate across the sea, will you please leave them at Theaker's store as the need for such is still great.

This is your last reminder to come to the minstrel revue in the hall on Saturday evening of this week at 8.30 sharp. The Library Board has spared no efforts to have a successful evening when these young people from Oshawa will put on this very popular minstrel show which comes so highly recommended. Do not miss it. Come and help your very fine public library.

The W.A. of the United church held its February meeting at the home of Mrs. Reg. Willbee on Wednesday evening. The president, Mrs. W. Rate, was in the chair and 25 ladies were present. The members passed a motion to improve the parsonage by having new cupboards put in, also voted $30 towards sending food parcels overseas. The groups hope to hold a baking sale in the near future. The program consisted of music by Ruth Rutledge, Diane Davis and Betty Morton and a reading by Miss Hayes. Lunch was served at the close of the meeting.

The Woman's Association, the Cheerio Group and Women's Institute plan to send boxes of food parcels overseas and are asking for donations which may be left at the post office. Money or food is needed.

Miss Mildred Dike, Toronto, spent the weekend at the home of her brother, Mr. Dawson Dike.

Mrs. Jessie Williamson, Toronto, visited the home of her son, Guy Williamson, over the weekend.

Mr. Dawson Dike moved this week into the new house he has just completed on Victory St.

Mr. Jas. Smith, who through illness has had to give up farming, has purchased Mr. Dawson Dike's house on Alice St. and moved into town this week.

The United church Sunday school will hold its at home in the church on Friday, March 9, when it will have moving pictures and pot luck supper.

PEGGY CARR, Keswick, Junior Winner
BETTY HUSTON, Victoria Square, Second
DORIS WILLOUGHBY, Bell Haven, Third

MICHAEL MURPHY, Newmarket, Intermediate Winner
AUDREY GARTSHORE, Sharon, Second
MARION NICHOLS, Victoria Square, Third

Some of the prize winners from the district are shown above after winning in the oratorical contests held by the North York Temperance Federation at Queensville last Friday. It was the Federation's annual convention. Michael Murphy, 13, Newmarket, was first in the intermediate class with an address on "Alcohol and the Home."

New O.A.C. President To Speak At Seed Fair

The fifteenth annual seed fair and third annual bacon show which will be held in the Newmarket town hall on Tuesday, March 13, show promise of being bigger and better than ever. Farmers throughout York County will be particularly pleased to know that the recently appointed president of the Ontario Agricultural College, Dr. J. D. MacLachlan, has been secured as guest speaker for the afternoon's program.

The seed fair, sponsored by the York County Crop Improvement Association, provides an excellent opportunity for contact with prospective buyers. Anyone interested should secure a copy of the prize list from the Department of Agriculture, Newmarket, and make entry in accordance with the rules prior to Friday, March 9.

Exhibitors' attention is drawn to the new classes listed this year which include one for winter wheat open to exhibitors other than members of the 50 Bushel Wheat Club, a class for shelled corn and a class for table potatoes shown in 10 or 15 lb. paper bags. This is a new commercial class which will be of interest to the many potato growers who now market their potatoes in this new type package. The regular classes of oats, barley, wheat, small seeds, potatoes, turnips and hay, as well as the 10 bushel exhibits of registered or certified oats and barley, are again included in this year's prize list. As usual, the 10 bushel lots will be sold by auction.

The bacon show, which has provided so much interest for the past two years, will again highlight the show and competition between the various townships entered is quite keen as others will be attempting to lift the honors won by Markham township last year. Three hogs per township, selected by the various township committees of the York County Hog Producers' Association, from as many farms, comprise an entry and these, along with a spare, have been shipped this week to a packing plant for processing and subsequently will be brought back to the bacon show. One half of each carcass will be hung up as a Wiltshire side and the other cut to show the eye of lean, ham, belly, etc. W. S. McMullen, Dominion Department of Agriculture, the official judge, will be on hand to discuss the various carcasses and their placings at 3 p.m.

Prize lists for the seed fair and bacon show are now available from the secretary of the York County Crop Improvement Association, W. M. Cockburn, Newmarket. Included in the prize list is some valuable information particularly about varieties of oats and barley where a review is made of the merits of various varieties on the basis of three years of co-operation tests carried out across Ontario.

VISIT MEAT PLANTS TO STUDY GRADING, MARKETING OF HOGS

In conjunction with the Seed Fair and Bacon Show to be held in Newmarket on Tuesday, March 13, the annual Junior Farmer Grain Judging Competition will be held in the Board Room, Department of Agriculture commencing with registration at 10 a.m.

Valuable prizes in the form of registered seed grain are available and the T. Eaton Co. has again offered four beautiful silver relish dishes for the highest scoring contestants. This competition is open to all young men in York County 25 years of age and under. No entry fee is charged and a free meal at noon is provided for each competitor.

Contestants are asked to note that this year the classes have been changed and each competitor will be asked to place and give reasons on one class each of wheat, oats and barley and in addition will be required to name 20 common weeds and to identify ten seeds of grasses or clovers.

The annual father and son banquet was held in the gymnasium of Trinity United church last Friday evening. One hundred and fifty attended. Toasts given by Donald Patterson and Rev. A. J. Mann were responded to by Mr. Patterson and Alex Rutledge. Rev. Wallace was guest speaker.

At a regular meeting of the Newmarket public school board held recently Mrs. O. P. Hamilton was appointed attendance officer. Dr. Boyd was chairman and members present were Mrs. Stephens, Messrs. Chantler, Bothwell, Manning and Eves.

A large number of Newmarket people journeyed to Toronto last Monday for the championship hockey match of Newmarket juniors and the St. Andrew's College team. Newmarket was defeated 5-3. Players were: g, Corbett; d, Thoms and Perrault; c, Townsley; w, Murray and Marshall; subs, Trivett, Bill Thoms and Rolland.

Mr. and Mrs. Auley Brenair, Huntsville, moved into Hope vicinity last week.

A congregational meeting of Keswick United church was held on Monday night. Officers appointed were: elders, Ira Morton John Marritt, A. Gilroy and Wm. Marritt; stewards, E. Morton, A. King, R. Cole and Mr. Switzer; clerk of session, A. Gilroy.

Mr. Brown's farm on Yonge St. south, Aurora, has been purchased by Mr. Carlton S. Richardson, Toronto. The new owner is making extensive alterations to the stables and is putting in 22 box stalls for his hunting and saddle horses.

MARCH 1, 1901

Mr. Fletcher, who has been in charge of the hardware department at Roche's store for over two years expects to leave next Tuesday to go into business for himself at Dutton.

Mr. Ferdinand J. Paxton, Toronto, left last week for London, England, to visit his sister, Mrs. F. S. Waller, the former Florence M. Paxton, East Gwillimbury.

There was a large market last Saturday and a big crowd of people in town. Not much change in price of butter and eggs, butter running from 18 to 21 cents and eggs 18 to 19 cents. Quite a quantity of poultry for this time of year. Dressed turkeys sold from 12 to 13 cents per lb., dressed geese from 7 to 8 cents per lb., ducks 60 cents a pair, dressed chickens 50 to 70 cents per pair.

Mr. Andrew Gilmour's household effects were shipped to Montreal yesterday. Mrs. Gilmour, who is a daughter of Mrs. John Hodge, will not be moving for a couple of weeks.

Mr. Samuel Cupples who has resided on Gorham Street for several years is moving to a farm near Holt next Monday.

The carnival held at Mr. Jewell's skating rink at Zephyr was most successful. Prizewinners for best costumes were Miss Edith Pegg, Roy Willbee, Wesley Shuttleworth; races, Asa Jewell, Stewart Terry, Alex Wallace, Asa Jewell. The hockey match between "farmers" and "dudes" was much enjoyed.

Mr. Hamilton has sold his butcher shop at Roche's Point to Mr. John VanNorman. It will be moved to Orchard Beach and run as a candy store in the summer.

The Top Six Inches

It has been pointed out to all farmers and continuously emphasized in the press that the sheep population of this country has been declining steadily and that as a result of this trend prices will be very high in the next few years. All ready it is almost impossible to get the owner of a flock to price a sheep of any description.

We are told all the good and valid reasons for this unsatisfactory state of affairs. We are told that in some districts the roaming bands of dogs and wolves make sheep raising impossible. We are told also that for years raising of sheep was not very profitable, that very few people in this country will eat mutton. This means that the final salvage value of sheep is very small and the only way that sheep can be sold for slaughter is as a lamb.

Somehow or other our suspicious nature isn't satisfied with these solutions. First of all, it seems to us that had it really mattered, the dog question could have been solved. We refuse to believe that the Ontario farmer is going to be licked by a canine. Anyway, that is a difficulty which could be reduced considerably. As for the other difficulty, that of price, we just simply don't think that it ever mattered very much in planning production. After all, do we worry about selling price when it comes to anything else? Have we not produced milk, cream, eggs, beef and pork and all other things without worrying about returns? Aren't we still doing it? The Ontario farmers always produced for the pleasure and profit of others as long as they could have the privilege of working 14 hours a day. We doubt if the sheep raising would have changed our way of thinking.

We believe that sheep raising is declining because there are very few farmers who know how and they are getting fewer and fewer every year. We think that sheep are particularly difficult to handle and very little emphasis is placed these days in teaching young people how to handle them. As the number of breeders and farmers keeping sheep declines, the circle of sheep raisers gets smaller, the show standards get more and more unreasonable until it gets quite forbidding for the average farmer to get into the business. The small breeds become smaller and the ones with wool on the head get blinder and the whole industry seems to be getting into a blind alley.

We think that the solution is, as it is in so many other cases, an educational effort to interest young people in sheep. We have calf clubs, tractor clubs and other clubs; we should have a lamb club. We think that a sheep is one of the most difficult animals to handle. Certainly they look nice and peaceful grazing around the house and lane. Yes, they will keep the weeds down. They will eat poor quality roughage and they can stand a lot of weather. But they will also do some grazing that's much too close to the ground for the good of the pasture. They will infest a pasture unless they are rotated. They are not too easy to handle unless one has the experience and lambing time can be quite a trial, unless one has the experience and knowledge and most farmers lack it today.

It is not reasonable to assume that as the wheels of prosperity turn a farmer can go in and out of various enterprises. Unless the knack and the know-how is kept on the farm and the young generation is taught how to work with a type of livestock, no matter how good the price is, farmers will not keep that type of animal.

As a second solution we suggest that a new type of sheep or a breed of sheep be developed and be made available. We need a larger animal, with a good yield of fleece and hardiness which will give us lamb and which will have not only weight for age, but a good lean fleshy carcass instead of too much fat. There are several new breeds in the United States and in Australia. Lets have a new Canadian breed, more suitable than the existing ones. These two factors will go a long way to make the industry a thriving one again.

Jr. Farmers To Compete In Grain Judging Again At Annual Seed Fair

This week groups of farmers from Georgina and North Gwillimbury townships have visited one of the large packing plants in Toronto to study hog marketing, grading and processing first hand as part of a program arranged by the York County Hog Producers' Association. Next Thursday, March 8, a group of 40 hog producers from East Gwillimbury will make the trip under the guidance of their township committee, Harold Rose of Mount Albert, R. J. Rogers, Sharon and Howard Cunningham, Holt.

On Friday, March 9, the packers will be hosts to a similar group from Whitchurch being organized by Edgar Dennis of Aurora, Melbourn McMillen, Newmarket and R. J. Corbett, Aurora, R. R. 2, who like other township committees were combing the country last week for hogs for the Bacon Show at Newmarket.

As a limited number can be accommodated at the plant, anyone interested in making the trip must make application to members of the committee for their respective townships.

PINE ORCHARD

On Sunday, March 4, Mr. Nathan Mair of Union church will continue series of talks on subject "God". Thought for the week "Fill your life with worth while things. Then, should the light go out, you will have something to think about."

We welcome Mr. and Mrs. Ough of Newmarket to our community. They have bought Mr. William Lundy's house and lot.

Best wishes for an early recovery to all the 'flu victims.

The gravel roads are extremely muddy and are in the worst condition on record for this time of year.

Work has begun on the 1,700,000 horse-power hydro-electric development of the Niagara river at Queenston, Ont. When completed it will be the biggest single power plant in the world. Ontario Hydro Chairman Robert Saunders says that the 400 men employed on the site now will increase to 5,000 men next year. He believes it may be necessary to fly in 2,000 men from Britain to work on the project.

OTTAWA LETTER
by
"Jack" Smith, M.P.
North York

The government has introduced legislation providing stand-by authority under a 1951 Emergency Powers Act. This will give the Cabinet power to authorize such acts and make such orders and regulations as may by reason of international emergency be deemed necessary or advisable for the security, defence, peace, order and welfare of Canada, subject only to certain listed restrictions.

Such authority is only granted the executive branch of government in time of war or national emergency. In passing this legislation, Parliament recognizes that the government must have authority for quick action in case of any emergency.

Canada in common with other democracies is facing a critical world situation. We must devote our utmost in energy and resources to building up strong defences which we hope in the long run will convince those with ideas of aggression that it will not and cannot succeed. This is the basis of our hope for maintaining peace.

In such a program the dangers to our economy of inflation are very real. Recognizing that such a condition may continue for a long time, the government is hesitant to introduce a system of over-all controls, at least until it is absolutely necessary or until other methods have failed. Therefore we have the present Emergency Powers Act to give the government the power to institute controls when considered in the public interest.

Senate Reform

From time to time over a considerable period of years there have been suggestions from within and from without for reform of the Senate.

The Senate of Canada is composed of 102 members. In the House of Commons representation is given each province in proportion to population. In the Senate representation is arranged so as to give equal representation to different sections of the country. Thus the 102 seats are allotted 24 each to the four major sections of the country, Ontario, Quebec, the Maritime provinces and Western Canada, with six being given the newest province of Newfoundland.

Members of the Senate are appointed for life by the Governor General on the advice of the Prime Minister, that is in effect, they are appointed by the government in office.

A Senator must reside in the province which he or she represents, must be at least 30 years of age and a British subject, must own real property within the province to the net value of $4,000 and must be worth at least $4,000 apart from all debts. Senators are paid a salary of $6,000 a year.

The suggestion is made that the work of the Senate is not commensurate with the abilities of its members or its cost to the country, and that there is a tendency to load the Senate with tired or retired politicians as a reward for service. Granted that some reforms are long overdue, these charges should not be taken too literally without considerable thought, as the accomplishments of the Senate are not always apparent either in the official records or in press reports. A great deal of the Senate's work is done in committee and behind the scenes and in reality it has some very useful unctions and renders great national service.

This session the Senate itself is considering the question of its own usefulness. A resolution introduced by the government leader calls for the appointment of a committee to consider how the Red Chamber could make a greater contribution to the welfare of the Canadian people.

The fact that the Liberal party has been in power for a considerable number of years has meant that the political complexion of the Senate is now predominantly Liberal, and this has led to many suggestions regarding appointments so that other bodies of political thought might be represented.

At present the political standing in the Senate is, Liberals 80, Conservatives 11, vacant 11.

The suggestion has been made that the Senate might be made wholly or at least partly elective, and that there should be a retiring age of 75. The present average age of Senators is 68. The suggestion has been made also that some appointments be made by the provincial governments.

Senator J. T. Haig, Conservative leader in the Senate who under present circumstances might be expected to favor some kind of reform came out strongly as opposed to any extensive change. He opposed the government motion that a committee be set up to consider the question.

The discussion as it continues will be interesting and helpful, but it is my humble opinion that any substantial reform in the Upper House is still quite a long way in the future.

SHARON

The regular monthly meeting of the Women's Association will be held at the hall on Thursday, March 8, at 10.30 a.m. Will all the ladies please come early as there is a quilt to be done and bring something for a pot luck dinner. All the ladies are welcome.

"BOUND TO RISE!"

Once upon a time, there was a writer.
His name was Horatio Alger, Jr.
And, when Father was a boy and
Grandfather was not so old, either, books
like "Bound to Rise" and "Strive and Succeed" were very popular indeed. Almost all Alger's stories told of a poor boy
who saved a rich man from serious injury or worse.
And, always, the poor boy became rich himself . . .
Today, we are not at all sure this is the best way to get rich. Rich men are few. And most of them seem quite competent at keeping from under the feet of runaway horses or automobiles.
However, all of us confidently feel we are "Bound to Rise." Our desire is to "Strive and Succeed." And we feel one of the best ways to do this is by opening a Savings Account with the Dominion Bank. It is a good thing to read books about how to succeed. It is a better thing to plan your social and business life so that *success* is *certain*.
A Savings Account with The Dominion Bank will help you to help your family, your business, and yourself. A Savings Account can ensure your success.
Wherever you visit any Branch of The Dominion Bank, you'll find friendly, courteous and efficient service. Drop in today!

Lord's Day, March 4
7 a.m. Intercessory Prayer
For the Lord Himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air; and so shall we ever be with the Lord. 1 Thessalonians, chap. 4: 16-17.
The birth, life, death, resurrection and ascension of Jesus Christ took place according to the word of God. These prophesies had been written hundreds of years before the events took place. The fact of His coming will be no exception.

IN MEMORIAM

Andrews—In loving memory of my dear wife and mother, Mary Andrews, who passed away on March 6, 1939.
When twilight hours draw near,
And sunset flames the sky,
We think of you, dear mother,
And the happy days gone by.
Thoughts of you come drifting back,
Within my dreams to stay,
To know that you are resting
When the twilight ends the days.
Sadly missed by husband, daughters Velma and Edna, and son Cephas.

Casy—Treasured memories of a dear husband and father, who passed away March 4, 1949.
Some day we again hope to meet him
Just across on God's evergreen shore.
Missed so much by his wife and daughter.

Cooke—In loving memory of a dear husband, John H. Cooke, who passed away Feb. 27, 1949.
Time takes away the edge of grief,
But memory turns back every leaf.
Ever remembered by wife, Stanislaus, and grandchildren.

Foster — In loving memory of Wilda, who passed away Feb. 28, 1945.
Gone into the light that shines so fair,
Gone from the earth of sorrow and care;
Resting those hands that did their best,
Gone, dear Wilda, gone to rest.
Always in our thoughs.
Bill and family.

LeGresley—In loving memory of a dear father, Philip LeGresley, who passed away March 3, 1950.
Oft we think of you, dear father,
And our hearts are filled with pain,
Oh, this earth would be a heaven,
Could we hear your voice again.
One year has swiftly passed away,
But still we don't forget,
For in the hearts that loved you best
You memory lingers yet.
Sadly missed by John, Gladys and children.

McBride—In loving memory of James A. McBride, who passed away March 1, 1942.
Sweet to remember him who once was here,
And who, though absent, is just as dear.
Wife and family.

McCarnan—In loving memory of a dear mother and grandmother, Harriet Evangeline, who passed away Feb. 21, 1950.
They say time heals all sorrows
And helps us to forget,
But time so far has only proved
How much we miss you yet.
God gave us strength to fight it
And courage to bear the blow,
But what it meant to lose you
No one will ever know.
Sadly missed and ever remembered by son-in-law Rube and family.

Miller — In loving memory of my husband, William David, who passed away March 2, 1947.
Oh happy days we once enjoyed,
How sweet their memory still,
But death has left a loneliness
The world can never fill.
Ever remembered by his wife.

Miller—In loving memory of my father, William David, who passed away March 2, 1947.
Four years have gone, still we miss him,
Never shall his memory fade;
Loving thoughts shall always linger
Round the place where he is laid.
Sadly missed by his daughter, Ruth, and son-in-law, Dave.

Walters—In loving memory of a dear mother who passed away March 1, 1950.
There is a link death cannot sever,
Love and remembrance last forever.
Lovingly remembered by daughter, Lillian.

THE HOMEMAKERS

Bread And Rolls The Easy Way

There are two trends in today's living. Some people must always have the latest model, whether it is a car, a dress or a kitchen gadget. Others cling to antiques, thinking that because a thing is old it must be good. The same idea applies to food. Many families enjoy the same dishes made in the same way, year after year, while others want variety and are pleased when the cook tries a new recipe.

The good homemaker keeps the best of the old, but introduces enough of the new to lend variety.

Bread, the standby in a man's diet, used to be made in every home by laborious over-night methods and baked in out-door ovens built of field stone. This method still has a place as a tourist attraction but there are newer and better ways.

Nothing can exceed the drawing power of the aroma of freshly baked bread in bringing the family to the table but often that pleasure is denied them because the homemaker considers bread-making too difficult.

WHITE BREAD

- 1 cups liquid (water, milk or potato water)
- 2 cups compressed yeast or 2 envelopes (2 tbsp. fast-rising dry yeast)
- 3 tbsp. sugar
- 2 tbsp. salt
- 12 cups sifted all-purpose OR Canada Approved flour (approx.)
- 3 tbsp. fat, melted

Mixing: Scald liquid, cool to lukewarm. Use ¼ cup of the lukewarm liquid to dissolve yeast; dissolve sugar and salt in remaining liquid, add yeast mixture. Add 3 cups of flour, beat well; add melted but not hot fat, blending thoroughly. Gradually stir in enough of the remainder of the flour to make a dough that does not cling to the bowl and can be easily handled.

Kneading: Turn out on lightly-floured board. Knead about 10 minutes or until smooth and elastic and small bubbles appear on surface.

First rising: Form dough into a ball and place in a lightly-greased bowl, turning dough over once or twice in bowl to lightly grease the surface. This prevents a crust from forming on dough. Cover bowl and let stand in a warm place, about 80°, away from draughts, until dough retains a finger print when pressed lightly or is double in bulk, about 2 hours.

Punching down: Punch dough, fold edges into centre and turn over with smooth side up.

Second rising: Cover and let rise again until dough retains finger print or is double in bulk, about 1 hour.

Dividing: Turn dough onto board and divide into pieces that will half-fill baking pans. Allow to stand a few minutes before shaping.

Shaping: Knead pieces slightly, shaping into loaves or rolls. Place in greased pans and lightly grease surface of dough.

Rising in pans: Cover and set in warm place to rise until dough retains finger print or is double in bulk, about 1 hour.

Baking: Bake in a moderately hot oven, 375°, until the loaves or rolls shrink from the sides of the pan and give a hollow sound when tapped, about 1 hour for bread, 25 to 30 minutes for rolls.

Cooling: Remove from pans immediately and place on racks or set crosswise on top of pans. Do not cover while still warm. If a soft tender crust is desired, brush loaves with milk or fat as soon as taken from the oven. Yield: 4 loaves, approx. 1½ lbs. each.

SETS DATE AHEAD, EARLIER ELECTION

The annual nomination meeting and election in Whitchurch township this year will be held the last week in November and the first week in December, rather than the late date which many councils claim, conflicts with the yuletide holidays.

Councillor E. L. McCarron introduced the motion to make the change to the early election date, and the clerk was instructed to prepare the necessary bylaw.

A bylaw was also introduced and passed setting the salary of the township clerk at $3,000, and a second bylaw placing the salary of the deputy-clerk at $2,300.

LEAVES FOR ENGLAND

Rev. and Mrs. A. J. Patstone left yesterday on the Empress of France for a 6 months visit to relatives in England. Miss Vora Patstone will remain with her brother in New Brunswick. Mr. Patstone was a former rector at St. Paul's Anglican church Newmarket and recently rector at Stayner.

W.C.T.U. MEET

The regular meeting of the W.C.T.U. will be held at the home of Mrs. A. Winn, 54 Millard Ave., Newmarket, on Tuesday, March 6, at 3 p.m.

OBITUARY

Cecilia Evyln Forhan

Cecilia Evyln Forhan, Main St. north, Newmarket, died on Feb. 24, after an illness of five months. She was born in North Gwillimbury on Dec. 29, 1890, the daughter of the late William and Rose Sedore. On June 4, 1913, she married Edward G. Forhan. She was a member of St. John's Roman Catholic church.

Besides her husband she is survived by sons, James, Michael, John; daughters, Phyllis, June, Katherine; a sister, Mrs. W. J. Fotherby, Detroit, Mich.

Funeral service was held at Newmarket on Feb. 27 with Rev. Father McCabe officiating. Interment was in St. John's cemetery. Pallbearers were Norman Forhan, Leo Forhan, Frank Doyle, Leo Cull, Herb Hodgins and B. McHale.

OBITUARY

Mrs. Dinah Doidge

Funeral service was held at Virginia United church on Feb. 16 for Dinah Doidge, wife of Charles H. Doidge, Virginia, who died on Feb. 13 at Cedar Brae Rest Home, Willow Beach, after a short illness. Rev. E. A. Nichol conducted the service and interment was in Briar Hill cemetery. She was born in Georgina April 16, 1864, daughter of the late Sophia and Francis Cronsberry and on Feb. 26, 1896, she married Charles H. Doidge. She attended the United church.

She is survived by her husband; a daughter, Annie May Crowder; a brother, John Edwin Cronsberry, Sutton West; sisters, Susan McMullen, Sunderland, Elizabeth Kay, Belhaven; grandchildren, Marguerite Harding, Richmond Hill, Laura Lewis, Hamilton, Evelyn Cox, Hamilton, Ralph and Allan Crowder, Virginia; great grandchildren, Joan, Betty, Lloyd and Patricia Harding, Dorothy and Linda Diana Lewis.

Pallbearers were Angus Hadden, Wes Lyons, Charlie Horner, Willie Stevenson, Roy Riddell and Elymer Rae.

OBITUARY

Henry Roe Jarvis

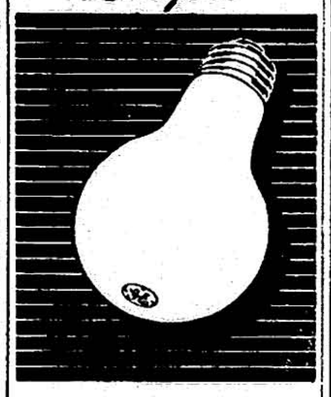

The funeral service for Henry (Harry) Roe Jarvis, 62, who died in Sunnybrook hospital on Feb. 20, was held on Saturday afternoon in All Saints Anglican church. It was conducted by Rev. D. C. H. Michell. The casket was draped with the Union Jack, and members of King Legion Auxiliary were pallbearers. The Last Post was sounded as the remains were interred in King cemetery.

A member of one of Toronto's oldest families, Mr. Jarvis was the son of the late Canon Arthur Jarvis and was born at Carlton Place. He attended Trinity College, Port Hope, and the University of Toronto where he was a student of the first forestry course. At one time he was a civil engineer with the C.P.R. in western Canada. During World War I he served with the Sixth Engineers and the Royal Horse Artillery as a lieutenant. At the battle of the Somme he was severely gassed, and after convalescing was sent to the eastern front at Salonika. Contracting malaria there, Mr. Jarvis was returned to Canada.

After the war he took up residence on a small farm near King. While his health improved somewhat later years found him suffering acutely from asthma as a result of his war experience. For the past five years Mr. Jarvis was totally incapacitated and spent the last nine months in Sunnybrook hospital. He was a member of All Saints church and a Liberal in politics.

Surviving are four sisters, Marjorie and Julia of King, Stephanie of Hurst, England, Sister Una, Mother House, Sisters of the Anglican church, Ham Common, England, two brothers, A. E. Jarvis of King, and George of Clairsville, Ohio.

BELHAVEN

'Flu and colds seem to be the main topic of conversation these days.

The following visited their respective homes over the weekend; Misses Bernice Davidson and Gladys Fairbarn, Messrs. Donald Winch and Murray King.

A family gathering was held at the home of Mr. Selby Fairbarn on Saturday, Feb. 24 in honor of Mrs. Fairbarn's birthday.

Miss Nora Powell, Toronto, spent the weekend with Miss Bernice Davidson.

Sympathy of the community is extended to the Mahoney family in their recent bereavement.

The girls' club under the leadership of Mrs. Kydd visited Sutton Dairy on Saturday morning where they learned about the pasteurizing and bottling of milk.

Congratulations go out to Mr. and Mrs. James Nelson who recently celebrated their birthdays and their sixty-second wedding anniversary.

QUEENSVILLE

The Farm Federation is holding a public meeting in Sharon hall on Thursday night, March 8 at 8 p.m. Films will be shown by the National Film Board. The Federation needs your support. This is a social evening and everyone is invited.

Mr. and Mrs. Alf Oliver and family spent Sunday with Mr. and Mrs. Jack Oliver in Oakville.

Remember the bingo in Queensville school on Friday night, March 9 at 8.15 p.m. Good prizes are again being given. See Coming Events for more details.

The choir of the United church will be presenting Steiner's Crucifixion on Palm Sunday night, March 18 in the church under the direction of Mrs. J. L. Smith.

Mrs. J. Alleyne visited her sister Mrs. Archibald in Richmond Hill on Tuesday.

'Flu has crept into our community rather quickly, with many homes affected. Union St. school was closed while Mrs. A. Smith was ill. The barber shop was closed for several days. Mrs. Wm. McGill has developed pneumonia. To her, and so many others, we wish a complete and speedy recovery.

The institute meeting which was to be held at Hillside school on Wednesday, Feb. 28 had to be postponed because of so much 'flu. The meeting will be held at Hillside school on Wednesday, March 7 at 2 p.m. The ladies of the community are all cordially invited.

When the Y.P.U. presents its play on Thursday night, March 8, the program will be supplemented with music by Mrs. Murray MacMillan.

MOUNT PLEASANT

Miss Velma Bosworth of Toronto spent the weekend with Mr. and Mrs. Wm. Moulds, also honoring her father, Mr. Thomas Bosworth, on his 81st birthday.

The Women's Guild held a good meeting at the home of Rev. Mrs. Kellen last Tuesday.

Quite a number attended the Bible study at Mr. Bernard Davidson's on Tuesday evening.

Mr. and Mrs. L. Riddell and Shirley and Mr. Joe Closs had Sunday supper at Mr. Bernard Davidson's.

Mr. and Mrs. Selby Barker of Sutton visited Mr. Robt. Davidson one day last week.

We hope the sick of the community will soon be better.

Mrs. Ross Stiles attended the Institute meeting at Pefferlaw last Thursday.

Our sympathy goes out to Mrs. Stanley Mahoney and family on the death of Mr. Mahoney last Sunday.

Mr. and Mrs. Bernard Davidson had dinner on Thursday with Mrs. Harry Morton.

The Mount Pleasant friends are sorry to hear of the accident that befell Mr. Ralston, Queensville. We hope for a speedy recovery.

KESWICK

The Evening W.M.S. met Feb. 20 at the home of Mrs. Dan McGenerty. In spite of so much illness there was a fair attendance, Mrs. Jack Winch led an excellent worship service on the "church and its meaning for us". The child study was based on an article "must children fight" showing that the excessively aggressive child is emotionally upset and requires more understanding.

Miss O'Brien's room at the public school was closed almost all of last week also Miss Daley's for three days because of the 'flu epidemic.

Mrs. Barton Ward is ill with 'flu at her daughter's home in Weston.

Welcome to the Gordon Smiths and children who have moved into Mrs. John Morton's house.

Miss Peggy Carr won intermediate first prize in an oratorical contest held by the Temperance Federation at Queensville Friday, Feb. 23.

Keswick has been having a 'flu epidemic which has not abated as yet. Mr. Harry Leppard is under the doctor's care, Mr. F. Peel and Mr. Royden Connell are also among those on the sick list.

Mr. Jack Marritt of Edmonton was a guest of his brother, Mr. Frank Marritt and Mrs. Marritt last week and also called on old friends.

The mild Sunday brought scores of cars and pedestrians out to enjoy the spring-like sunshine.

Our sympathy goes to the immediate family and relatives of Mr. Stanley Mahoney who passed away at Toronto Western hospital Sunday, Feb. 25. The funeral was held Wednesday from the Strasler funeral parlors, Queensville.

The United Church Women's Association regular meeting and shower for bazaar fish pond will be held on Wednesday afternoon, March 7 at 2.30 at the home of Mrs. Walter Richmond.

Young folk who spent the weekend at their homes here included Don Winch, Hernice Davidson and Mary Morton.

Mr. Gordon Winch spent last Thursday and Friday with his parents.

There's a seven-year-old boy in Welland, Ont., who is paralyzed from the waist down and will be for the rest of his life. But despite his handicap, which doctors say is caused by a gap in his spiine the size of a five-cent piiece, Dennis Gibbons, seen right with younger brother Conrad, is a very happy boy. For he has been chosen as "Timmy"—to symbolize 1951 Easter Seal campaign of the Ontario Society for Crippled Chiildren—this year running from Feb. 25 to March 25 with an all-time high objective of $375,000. The plucky young son of a veteran paratrooper and former Timmins diamond driller has 100,000,000 Easter Seals for sale in an attempt to help finance 75 per cent. of the work carried out among 4,600 crippled children in Ontario.

Kettleby News

The W.M.S. of the Kettleby United church met at the home of Mrs. Anson McCluskie Tuesday, Feb. 20 at 3 p.m. with Mrs. Wm. Hodgson presiding. As the roll was called each member was presented with membership cards. A time was set for the play; Thursday, March 1 at 8.15 p.m. is the date, the title "Beauty from Ashes". Proceeds will aid our general supply and "Aid to Korea" project.

It was decided to hold the Easter thank offering meeting in the evening at the hall and to invite the W.A. This is also the meeting to turn in the mite boxes and to bring along any good used clothing or bedding suitable for the Korean bale.

Mrs. Jerry Black reported on temperance and said that arrests in Ontario for drunkenness had increased 30 percent last year.

Mrs. G. Cambourne reported on stewardship and suggested that we should learn the value of time. Much can be accomplished in just 5 minutes. We need to recognize that time gives us opportunity and responsibility.

Mrs. Wm. Hodgson gave a report of the annual meeting held at St. James Bond church, Toronto. The theme of the meeting was The World for Christ. The speaker of the afternoon, Mrs. Love, said "At this time with all people in all nations in turmoil, we need to be bold in our belief in Christ. Make our lives reflect His likeness and pray without ceasing."

Mrs. H. Burns presented a chapter of the study book. This dealt with Christian education in Japan, the work of the Sunday school and Christian work camps where they learn and help in building projects, the women's work in societies similar to ours and work among rural Japan. Kagawa, she said, publishes a magazine called the Christian News. This magazine is interesting, educational and Christian. Most of the Bibles and hymn books were destroyed in the war but have been replaced to quite a degree, Mrs. Burns said.

Mrs. Hodgson brought the meeting to a close.

Mr. and Mrs. Norman Greensides attended an agency dinner of the Mutual Life in Brampton recently.

On Saturday, Feb. 24, the mortal remains of a dear friend, Mr. J. Shaver, were laid to rest in the quiet Kettleby cemetery. He lived very quietly with his niece, Mrs. P. Muirhead, and family, but to us who had the privilege of knowing him, he was a very kind, wise companion, who had lived for almost 90 years which had been spent in useful service to his fellow men. He has now passed on to higher service. Our deepest sympathy is extended to his sorrowing relatives.

The 4th Line Euchre club met at the home of Mr. and Mrs. N. Greensides on Friday, Feb. 23.

The deepest sympathy of our members is extended to Mr. and Mrs. Ed Haines in their recent sad bereavement.

A beautiful basket of daffodils was placed in the church on Sunday, Feb. 25 by Mrs. C. Wilson, in memory of her mother, Mrs. Edwards, who passed away one year ago.

Sorry to hear Miss C. Muirhead is in bed with the 'flu. We wish her a speedy recovery.

Next Sunday, March 4, the fourth Sunday in Lent, is known as "Mothering Sunday" in England when all the family comes home to honor mother, and every member of the family goes to church together to thank God for His wonderful goodness to them. We should like to see every family of our congregation make a great effort to be present at the service here in our own church on this special day.

We are glad to report both Mrs. F. Crane and Mr. Sibley are slowly improving.

We saw a number of crows on Thursday, Feb. 22, a week earlier than last year.

Farm Forum met at the home of Mr. and Mrs. H. Webster on Monday, Feb. 26. Subject discussed was "Egg Marketing". Next meeting will be held in the home of Mr. and Mrs. Ed Wood on Monday, March 5 at 8 p.m.

Services next Sunday at Christ church will be Sunday school 2 p.m., evening service 3 p.m.

Vandorf News

Mrs. Walter Graham opened her home on Thursday afternoon for a stork shower in honor of Mrs. Gordon Mackey. There were 22 ladies present and she received many pretty and useful gifts.

Mr. and Mrs. H. A. White and family visited Mr. and Mrs. S. D. White and family of Lansing on Saturday.

Mrs. H. A. White and John visited Mrs. White's mother, Mrs. Loveless of Markham on Friday afternoon.

Mr. and Mrs. George Preston and Calvin and Mrs. Stewart Burnett left last Monday to spend a few weeks in Florida.

Our deepest sympathy is extended to the family and relatives of Mr. W. D. Richardson who passed away on Saturday. Mr. Richardson, a lifelong resident of this community will be greatly missed.

Wesley United church Women's Association meeting will be held at the home of Mrs. Cale on Wednesday, March 7. The motto is "The strength of our Faith is measured by our Confidence in God". Devotional is by Mrs. Harold Dewsbury and the topic is "Faith in the Risen Lord", by Mrs. W. Kingdon. Roll call is to be an Easter verse. Hostesses are Mrs. Moddle and Mrs. Irwin.

Mr. and Mrs. Arnold Gardhouse and family of Thistletown had Sunday tea with Mrs. Gardhouse's parents, Mr. and Mrs. W. H. Kingdon.

Congratulations to the Vandorf hockey team which won the trophy in the Lake Simcoe Hockey League under the leadership of Mr. Clayton Pogue and Mr. Stewart Burnett, the coach and manager. The team is being presented with new sweaters and socks by the Vandorf Community club.

The ladies who attended the short course on "Foods healthy children like" in Aurora were Mrs. Fred van Nostrand, Mrs. Lloyd Preston, Mrs. John Lines, Mrs. Harold Dewsbury, Mrs. Fred Pattenden, Mrs. Sleeth and Mrs. Aylett.

OUR READERS WRITE

The Editor: Top Six Inches has rendered real service to the readers of the Era and Express and we have appreciated it highly. However, "Dairy Farmer" has left himself wide open this time. Sure the Federation has made mistakes. Where is the man or organization that hasn't? Truly the 4,000 lb. border cow must go to the block.

The question is, why has brother "Dairy Farmer" not been out to the meetings at which the question of margarine has been up for discussion and aired his views there? Anybody can throw bricks from behind the fence but it is going to take more than that kind of tactics to win the parity of price glibly promised the farmers during the war.

We suggest that "Dairy Farmer" get in behind his local federation group and push. Criticism is a useful implement if used for construction at the right time and place.

Yours truly,
Robert Knights,
Pres., East Gwillimbury Federation of Agriculture.

MOUNT ALBERT

The Park board will hold its regular dance on Friday evening when there will be Norm Burling's orchestra.

Mr. Grant Palmateer, Sudbury, was a Friday visitor of his grandmother, Mrs. John Cain.

Owing to the illness of Mrs. Jas. Slorach, the Cheerio club met in the church on Saturday evening, Feb. 24, with 32 ladies present. Mrs. W. McFarland and Mrs. H. Yeomanson were in charge of the program. Mrs. L. Mahoney, Ravenshoe, gave two amusing readings. Miss Mildred Dike gave a very instructive talk on laws that women should know something about and the importance of making a will. The club voted $20 to the W.A. to help with the boxes they are packing for Britain.

Mr. and Mrs. Roy Carr visited Mr. and Mrs. Jas. Jarvis, Stouffville Sunday afternoon.

Miss Effie Hayes spent Saturday afternoon in Newmarket.

ARMITAGE

We are sorry to hear that Miss Margaret Kerr has the measles and that Mrs. Walter Terry has the mumps. We wish them a speedy recovery.

Miss Fern Doan spent Sunday with her sister, Mrs. B. Hendricks.

It looks like spring must be here. The crows are flying around and Mr. Kerr was out gathering sap over the weekend.

Don't forget to come to the Community club dance Friday, March 9.

HOPE

Hope W.A. will be held at the home of Mrs. Howard Pegg on March 7.

Mr. and Mrs. H. McClelland, Mr. and Mrs. Angus, Toronto, were guests of Mr. and Mrs. Will Shields on Sunday.

Needlecraft News by Pauline Roy

PATTERNS ARE the foundation of fashion in home sewing and the new spring patterns have enough variety and beauty to please everyone. Although most styles are based on the slim silhouette, there are some full and slightly flared skirts. Fullness is added to many pencil-slim skirts by apron effects, peplums, pleated panels and overskirts. A few patterns feature the trumpet skirt, smooth and slim to just above the knee it then flares out to the hemline. Choose this only if you are very slim otherwise it is likely to make your hipline appear rather wide. The lampshade skirt is another modification of the slim skirt. This type is fitted to the hipline and softly flared below.

National Sew and Save Week, March 3 to 10, when stores throughout the country will highlight their sewing departments is a good time to shop for your spring sewing requirements. If you are an inexperienced sewer you'll find it especially helpful. For during Sew and Save Week most stores will offer many valuable services to the home sewer such as sewing classes, fashion shows and cutting services. In several cities pattern company stylists will be on hand to answer questions and to help you straighten out any sewing problems you may encounter.

If you haven't done much sewing it's a good idea to choose an easy pattern. Some particularly simple-to-sew patterns are designed each season by the various pattern companies for the benefit of beginners. These special styles are marked in the catalogues and on the pattern envelopes.

Patterns, today, are much easier to work with than the patterns of several years ago. The directions and construction drawings are clearer, the printed pattern markings facilitate your work and the longer lists of fabric suggestions make it easier for you to choose your material.

You'll find marked on the pattern envelope also, a list of notions you'll need. By the way, while we're on the subject of notions here's a word to the wise. It will save you time and trouble if you shop for your threads, zipper, buttons, shoulder pads, etc. at the same time as you buy your material. One trip to the store to buy your pattern, material and your notions and you have everything on hand. No waiting around to finish your dress because you haven't had a minute to get downtown for the buckle and buttons you need.

The costume look is new this spring and you'll do well to choose a versatile dress-with-jacket pattern like the one we have pictured above. The dress, shown here in deep blue, has a high U-shaped neckline and short sleeves and its bolero, of blue and white checked fabric, has a soft rolled collar and cuffs of deep blue to match the dress. Note, too, the pretty scalloped hem of the bolero and the flattering centre pleat of the skirt. If you would like to have a leaflet giving you the pattern number for this dress and bolero as well as useful sewing information on colors, fabrics and wardrobe planning, write to this paper asking for Leaflet No. CN-12, THE COSTUME LOOK. Please enclose a stamped, self-addressed envelope.

HOLD MUSICAL

A most successful musical night was held at the Church of the Nazarene on Friday, Feb. 16 under the auspices of the Young Peoples' society. In charge of the varied and interesting program were Mrs. A. E. Petersen and Miss Norine Greenwood. Murray Baker recorded the entire program.

SCHELL-WILLIAMSON RITES IN TORONTO

Mixed flowers formed the setting in Westmoreland United church, Toronto, on February 17 for the marriage of Joan Elaine, daughter of Mr. and Mrs. J. A. Williamson, Toronto, and Mr. Orval Nelson Schell, son of Mr. and Mrs. J. N. Schell, Orillia. Rev. A. E. Lunau performed the ceremony. Miss Wilson was organist.

The bride, given in marriage by her father, wore a white slipper satin gown and carried red roses and white carnations. Lorraine Williamson, sister of the bride, maid of honor, was gowned in rose taffeta with yellow carnation bouquet. Mary Ferguson and Marylin Anderson, bridesmaids, chose light green and light blue taffeta gowns and carried pink carnations. Betty Lou Williamson, sister of the bride, was flower girl in mauve taffeta and carried a nosegay of roses and carnations. Mr. Clifford Hollaway was best man and ushers were Messrs. Stanley Harper and Geoffrey Scott.

The reception was held at the Legion Hall, 57 Silverthorn Ave., Toronto, where the bride's mother received in mauve with black accessories and corsage, assisted by the groom's mother in blue with pink accessories and corsage. For travelling the bride chose a navy blue crepe dress with grey coat. They will reside at 54 Bartlett Ave., Toronto.

LOCAL COUPLE WED IN AURORA

Myrtle Alethea, daughter of Mr. and Mrs. F. Woodhouse, Newmarket, and Mr. William Ross Rush, son of Mr. and Mrs. Norman Rush, Newmarket, were married on February 23 in a candlelight service at Aurora Gospel Tabernacle. Rev. I. Coupland, assisted by Rev. N. Rowan, performed the ceremony. Miss Eloise Miller played the wedding music and Mrs. Shelton was soloist.

Given in marriage by her father, the bride wore a white satin dress, long veil held by a halo and carried red roses. Mrs. Hazel Peffers, sister of the bride, was matron of honor in blue and carried a mixed bouquet. Miss Glenna Woodhouse, sister of the bride, bridesmaid, chose pink and carried a mixed bouquet. The flowergirl, Miss Sandra Peffers, niece of the bride, dressed in pale yellow with a band of daisies in her hair carried a mixed bouquet. Master Donny Rush, nephew of the groom, was pageboy. Mr. Norman Rush was best man for his brother and Mr. Vincent Woodhouse was usher.

The reception was held at the home of Mrs. Frank Patrick, cousin of the bride, where Mrs. Woodhouse received in a mauve dress and hat. For travelling to Niagara Falls the bride chose a brown tweed suit. They will reside in Aurora. Among the guests were Mr. and Mrs. Coleman, Mr. and Mrs. H. Woodhouse, Mrs. Eva Dyson, Mr. and Mrs. C. Troyer, Mr. J. Peffers and Mr. and Mrs. F. Woodhouse, Jr.

Haskett's HASH

BY GEORGE HASKETT
Newmarket Sports Editor

Ringside, 58 Eagle St.—Judge awarded round one to the 'flu. Round two even. Round three Hash Man winner by a T.K.O. You'll pardon us if we stir this week's helping of hash standing up. Got shot in the panties to give kid 'flu the knock out blow.

Say, we leave these guys to their own devices for a few days and see what happens. Larry Molyneaux and the Spits get themselves behind the eight ball. They must subdue Midland "Flyers" twice to stay in the hunt. This can be done, of course, but the Flyers aren't going to be any push-overs.

Junior Rockets request and get resignation of Coach Joe Peat and manager John "the busman" Hines. Haven't the full story on this as yet. S'truth probably higher ups in Rocket organization are irked by Rocket showing. Loring "the silent one" Doolittle, ex-Aurora Indian, at the helm at present and is giving the Rockets the full treatment in the conditioning department. "Sen" Cook has moved up from assistant to manager The Rockets hit the pay-off trail this week. Go against Collingwood "Greenshirts" in a best four in seven set.

Around the rinks: The O.M.H.A. trail in both Aurora and Newmarket has grown cold. Bill Mundell's Aurora midgets were shunted out of the play-offs by Lindsay. Aurora did reach the third round to get along the path the farthest of any of the Newmarket or Aurora teams. Hear tell Don "Brains" Willson has joined the Rogers-Gibney Indians for their Trolley League semis starting this week. Winged Wheelers vs Aurora, and either Navy or Dawes-Danforth against Woodbridge.

Charlie Nesbitt is out with Bradford rural team this season. Scored two Saturday to help Bradford take care of Ellis Pringle and his Sutton "Greenshirts".

Mentioned a while back would like to see Don Gibson down this way with Sudbury's junior A club. Don has been filing his share of goals up north and Sudbury has now moved into the semi-finals in the north country against the Soo.

Thanks a million for all those kind words while sick, fellows! Danged if it doesn't do us good to hear we've been missed. Noticed when we got back on the job that the Memorial lights were all fixed and sign over the front door. No it didn't say welcome home - just said "Newmarket Community Memorial arena" —looks nice though.

Bradford Wins First In Rural Playdowns

Bradford "Federal Farms" and Sutton "Greenshirts" renewed old acquaintances from Trolley League days as they clashed in Bradford rink in an O.R.H.A. play-off Saturday night.

The two old rivals plus Alliston and Coldwater are presently engaged in a round-robin set designed to produce a central Ontario rural senior champ. Bradford called in an ex-old-boy Charlie Nesbitt to give them the necessary lift to rack up a 7-4 win. Charlie fired two early third period tallies to shatter a 4 all tie existing to the end of the second period, Evan Stevens added the clincher late in the game. It was the first win Bradford has picked up in the round-robins against two losses and a tie. Alliston and Sutton at present head the slate.

In the early scoring, Bill Boychoff matched a first period Sutton goal by John Learoyd. Bruce Collings swung in for two and Bill Boychoff kicked in with his second marker to offset a brace from Jim "Skip" Taylor and John Learoyd's second marker in Ellis Pringle's "Greenshirts" cause.

That sent the teams away for second recess at four all. Bradford took command with a third period drive engineered by Charlie Nesbitt. Bradford benefited from strong defensive work from Joe "Muscles" Magani and Mike "Blondy" Brinkos. Bill Boychoff was a standout adding three assists to a two goal effort for a five point total.

Bradford: C. Lotto, J. Magani, M. Brinkos, B. Collings, B. Boychoff, E. Stevens, C. Nesbitt, M. Kuhla, H. Caradonna.

Sutton: B. Holder, A. Lonergan, B. Stevens, J. Learoyd, R. Griffith, J. Taylor, F. Taylor, H. Burrows, B. DeGeer, W. McLaughlin, C. Brady.

Rockets Lose First Of Play-offs To Collingwood

Rockets journeyed to Collingwood and suffered a 15-1 setback on Tuesday. It was the first game in best two out of three set to declare a group "C" winner. Keith Collings on a set up pass fro mMurray McDonald pounded in a goal in the first minute of play but from there on the Rockets were on starvation rations. They checked solidly for ten minutes to held the lead. Then, bingo, the superior firepower of last year's C champs, the Greenshirts, started pumping with the results mentioned above —they put 15 shots in the Rocket cage.

Harry "Pop" Holmes, in charge, used three players, Ken Burke, who took over in net after Harold Andrews was hurt, Jack Staley and Frank Morton from the juvenile ranks.

Newmarket: goal, H. Andrews, K. Burke; def., B. Hanna, S. Beattie; cen., K. Collings; wings, A. Forfar, M. McDonald; alts., L. Firth, P. Holancin, B. Groves, J. Staley, F. Morton.

Hoffman's One Up With Davis Leather In Town Finals

Packing five goals into a first period scoring spree, Canadian Hoffman "Ironmen" snowed under Davis Leather "Tanners" 10-4 in the opening game of the Town League finals Monday in the best of a three game series for the town crown. "Shorty" Greenwood, secured by "Ceegars" McDonald and his henchmen at the Hoffman shop via the town league player pool, made the Hoffman success story possible. "Shorty" popped in five goals, four of these in the first period as Hoffman pried out a 5-1 edge. That early first round action would have been enough in itself to assure Hoffman's a win. They continued to press, however, outscoring the Tanners 2-1 in the second and by a 3-2 count in the final.

Backing up Shorty Greenwood's five-goal scoring barrage, Cliff Gunn, Harry Caradonna, Lloyd Cudmore, Doug. "Salty" Bunn and "Red" Wilkins got into the Tannery humbling exercise with a goal each.

Harry Thoms, Tannery gate-opener, had this to offer: "We were short-handed, with Jack Groves (knee injury), Robert Budd (mumps), Stan. Pollard (tooth knocked out) and Ken Harman (flu), absentees. Bohmer "Jing" Groves, though on the road for a bout with the flu, so he figured, was the Tanners' friskiest performer. "Jing" figured in all the Tannery scoring set-ups, shooting in two and assisting Stan Pollard with his first period tally and Bruce Townsley with his third period marker.

The series resumes Monday and the Tanners have their backs to the wall.

Spits Win In The First Of Round Robbin At Midland 7-6

Wouldn't go so far as to say these are the exact words of Coach Larry Molyneaux but can almost hear him thinking them "Now we're on the way. That's the win we were looking for. Have to do it again tonight". Our Spits came home Tuesday with win one in the Big Seven Intermediate "A" round-robins tucked safely away in their jeans. It was a narrow squeak though as the Spits nosed out Penetang-Midland "Flyers" 7-6. Harold Tunstead's goal at the 16 minute mark, less 3 seconds, with two mates in the coolerator proved the winning margin.

"Swifty" Todd, the pride and joy of Goodwood, and Al Shewchuk, roving hard driving defenseman, gave the Spits a 2-1 first period advantage. Midland tied it in the first minute of the second period action. Then the Spits made their formidable move, Joe Wolf, Ken. Thoms, Myles McInnis and Bill Johnston scooping them ahead 6-2. It was well the Spits had the cushion as the Flyers rolled to stroke four goals behind Joe Tunney and worked back into a tie at the 13 minute mark of the third. It was then Harold Tunstead took over and went in alone and faked Midland netminder, Bus Gagnon, right out of his braces for the game winning marker.

Assist column showed Bill Mabbett with two and Don Smith and Bill Johnston with one each. The teams meet here tonight in another must win for the Spits.

Previous Loss At Colligwood

Our Spitfires suffered their second loss of the week in the semi-final intermediate A round-robins here Thursday, dropping a tough 5-4 decision to Collingwood "Shipbuilders". It was the second time within the week that the Spits had come out on the short end. The teams needed ten minutes of overtime to settle the issue as they battled to a four all deadlock during the regulation play. Came the overtime and at the four time mark Geo. Fairchild popped in the winner.

The scoring followed a give and take pattern down through regulation time. Bill Mabbett tipped in a shot during a goalmouth scramble with the Shipbuilders a man short, with assists going to Bob Hanna and Myles McInnis. Robbie Sandell tied it with 2 seconds remaining in the first, Denny Labine cooling off in the sin bin for a slashing penalty. Al Kirby shot the visitors one up after a minute of second period action before Al Shewchuk, using Myles McInnis as a threat deked a corner shot past Reg Westbrooke in the Collingwood cage.

It was the Spits' turn to go ahead 3-2 as Joe Peat rifled in his first goal of the season, a screaned forty footer at the six minute mark of the third. Collingwood came back with Dance and Cochrane scoring. "Swifty" Todd on a picture play at 18.16 tied it forcing overtime with the results as mentioned above.

The Spits with Joe Peat and Al Shewchuk carrying the defensive load were outshot 40-25 during regulation time but came on strong in overtime to outgun the visitors by an 11-6 margin but couldn't rustle up the tying goal. Bill Johnston was a 'flu casualty and Stan Gibbons was out due to a knee injury. Coach Larry Molyneaux used Bob Hanna from the Rockets for defense duty and Joe Wolf up front.

Aurora Indians Top In Trolley League

Aurora "Indians", who have been flirting with first place in the Trolley League along with Winged Wheelers and Woodbridge, snared the coveted spot last Thursday by dropping Charlie Rowntree's Woodbridge crew 7-0. The Indians and Woodbridge opened the fray tied for first place. The Indians bolstered by three junior Bears took to the warpath early to blast out a 4-0 first round advantage, adding to the carnage with three in the second.

Jimmy O'Hearn, speedy winger, and Grant Firth, the whirling dervish of the ice lanes, shared the winners' scoring spotlight with two each. Newcomer Don "Brains" Willson, Harry Morrison and Laurie Thoms connected for singletons.

Jim Smith, exuberant Woodbridge forward, all but scalped Harry Morrison in the final period as he took several healthy swings at the Aurora player, fortunately missing. Smith drew an automatic match misconduct and the case was being reported to the O.H.A. by referee Gord Cliffe.

On the alleys

Grand Blight smashed his way to the top of the Hoffman Bowling League last week with a sizzling 791 (309-244-238) count. Other over 700 bowler was Frank VandenBergh with a 727 (234-295-198) mark. Two sweeps recorded as Vorclone and Sheet Metal took Press Shop and Machine Shop to the cleaners. League standing: Press Shop 73, Sheet Metal 62, Vorclone 61, Office 57, Machine Shop 55.

Art Flanagan was the top scorer in the Davis Leather league last week with a 722 (311-197-214). Other fine scores were recorded by Harry Thoms 713, Frank Bothwell, 652, Bernard McHale 649, Bill Cullen 637, Geo. Ingledew 628. Tunney's trundlers downed Townsley's 5-2 and Cullen's six recorded a similar win over Allen's. Tunney heads the league with 95, Cullen 81, Townsley 78 and tail-enders Allen's with 71.

Mary Osborne again grabbed top honors in the Monday Night Ladies' league with a 675 (214-192-269). Annie Stickland ran a close second with 672 (278-192-202). Other outstanding performers were Thelma Sloss 606, Muriel Gunn 591, Pearl Codlin 555, Claire Pollock 542, Jeanne Gatti 528, Mary Austin 526, Emma Broadbent 525, Hazel Bowser 518, Edith Hall 503. Feeps registered the only shutout, downing Cubs 4-0, Dubs 3, Spark Plugs, 1, Femmes 3, Wizards 1. Terrific battle is being waged for top spot—Cubs 42½, Feeps and Wizards 42, Femmes and Spark Plugs 34, tail-enders Dubs 31½.

Two weeks scoring to look over in the Thursday "gals" league. Butty VanZant rapped out a 667 (212-203-252) to lead the show. Other fine individual marks posted by Helen Coveney 612, Norma Peel 596, Vi. Dales 579, Edna McGrath 577, Olive Hughston 545, Myrt. Dunn 541, Frances Bennitz 517, Helen Tomlinson 510, Jean Wrightman 505, Bessie Wonch 501.

Town League marksmen were below par for the most part last week. Outstanding performer was Doug. Beckett, 763 (222-220-321). Three others over 700, Reg. Wilson 729 (232-3131184), Ki. Curtis 714, Stan. Flicker 712. In the 600 bracket, Chas. VanZant 682, Jack Watson 671. Meteors and Office Specialty recorded sweeps over Hisey's and Legion. League standing: Legion 51, Combines 49, Off. Specialty 48, Dennes 46, Meteors 45, Metal Workers 44, Hiseys 41, Clover Kickers 39, Insleys 35, also rans Dixons 21, Turkey Catchers 19, Nkt. Dairy 18.

Frank McFarlane was top man in the Office Specialty Officemen's League with a 637 (247-187-203). Bert Smith runner-up 625 (208-232-185). Lou Bovair's and Bert Seldon's teams tied for top with 37, Roy Bennett's 32, Geo. Phimister's 25, Ken. Giles 22, tail-enders Don. Burch's 15.

Merchants, Tanners Win Aurora Semi-Openers

Favorites won and favorites lost. That's not double talk by the way. Collis Leather "Tanners" favored to romp to the Aurora Town League championship whomped Victory "Flyers" 8-2. On the other hand the Ditch Diggers, favored to mow down the Merchants, received a Grade A surprise as the Merchants let fly with the heavy artillery to eke out a 3-2 win.

Both games were the series openers in a best three in five semi-final set. Heading up the slate of top marksmen for the Tanners in their romp were Ray White, Walt Davis and Lorne Fleury with a pair of goals each. Bill Kirbyson and Bill Merner made a showing on the tally sheet with singles. Clem Ellis and Bill Kingdon who make a habit of getting at least a goal a game shot in the grounded Victory "Flyers" markers.

In the Monday tussle betwixt the town friendlies Merchants and Ditch Diggers, Harold Nesbitt was the cracker jack on the Merchies' front line getting his shooting iron on target to stroke in the game's first and followed up with the tie breaker midway through the second period after the teams came out of round one tied at two all.

John Loblaw accounted for the Merchants' third marker with league prexy Cliff Chapman making the pay-off shot possible. Earl MacDonald with Mickey Sutton the work-horse and Harold Stephenson with Doug Miller in the aiding role accumulated the Shovellers' scoring points. Both teams profitted from good net-minding from Jim Murray in the Merchants' cage and "Mouse" McMain in the Diggers' citadel. Second games in the series are carded for Thursday and Monday.

Vandorf Lose To Stroud In First Round O.R.H.A.

Vandorf "Flyers", recently crowned champs of Lake Simcoe Hockey League, didn't waste any time getting down to business in the O.R.H.A. play-offs on Tuesday in the Newmarket arena. Opposition for Flyers in round one was Stroud. Stroud by virtue of an early barrage and a strong finish wound up 12-6 winners over Vandorf. The series is two out of three with the second game at Barrie tonight. Single-handedly Elwood Webb wrapped up the game with seven shots in the Vandorf cage and, for good measure, threw in a pair of assists.

Vandorf, in the second period alone, fired 22 shots at Stroud goalie John Snache, but didn't score one. Stroud on the other hand with three shots on the Vandorf cage put one of these away for a telling mark.

On one occasion a Vandorf player caromed a shot into his own cage.

Vandorf goal-getters were Mike van Nostrant, Clem Ellas, Jim Preston, Normie Nigh, Bob Staley and Joe Lundy. Some 250 fans took in the contest and enjoyed every minute as the teams battled hard, Vandorf never giving up trying.

Vandorf: g, A. DesRoches and W. Hammond; d, M. van Nostrand, N. van Nostrand; c, N. Nigh; w, B. Staley, J. Preston; alts., J. Lundy, C. Preston, D. Brown, D. Richardson, C. Ellas, A. Jones.

Referees: Bob Peters and Harvey Gibney.
